

# Unlocking Global careers for Universities

COOPER  
CLARKE

At Cooper Clarke Consulting, we specialize in **helping professionals** from diverse backgrounds **confidently enter the European job market.**

We've partnered with universities such as **TH Köln, University of Lima & University of Chile** delivering workshops and personalized support to help students navigate their international careers.

For the last four semesters, our "**Unlock Your Career in Europe**" workshop has supported hundreds of students in preparing their first applications and entering the job market with clarity and confidence.

# Our Services

We **partner with institutions** to deliver **practical, engaging, and actionable career workshops**, designed specifically for **international students** seeking to build a future in Europe.

## **Cultural Confidence**

How to overcome the fear of asking and position yourself as a peer in a new system.

## **CV Creation & European Standards**

How to build a CV that matches employer expectations, while standing out.

## **LinkedIn Strategy**

Profile optimization & smart networking tactics to land more interviews.

## **Interview Preparation**

Real talk: What hiring managers expect and how to prep with confidence.

## **Visa-Related Support**

What to know, what to ask, and how to navigate your first contract abroad.

# Our Team

Left to right: Barbara Cooper-Clarke and Tamara Thiessen Barten.

**Barbara Cooper-Clarke** is a Chilean Commercial Engineer who has lived in Germany since 2014. With a background in **brand, operations, and talent development** across **tech and creative industries**, she now leads the company, supporting professionals across the globe in building careers in Europe through **1:1 coaching, speaking engagements and strategic consulting**.

**Tamara Thiessen Barten** is a trilingual **Talent Acquisition Consultant** based in Berlin, working across industries such as **finance, audit, and IT**. With international experience in Peru, Germany, and the US, she brings deep **recruiting expertise** and is in charge of **direct client support, workshops and market positioning**.

# Success Stories

## Gonzalo Euler

Valparaíso, Chile  
Cologne, Germany

*Coordinating Cooper Clarke Consulting's workshops at TH Köln gave me a front-row seat to the impact their coaching creates. Their sessions were practical, inspiring, and deeply relevant for international students navigating the European job market. It was a pleasure to bring them to my university, not once, but for three consecutive semesters!*

## Sol Noya

Lima, Peru  
London, England

*Barbara offers invaluable interview preparation, personalized coaching, and a reminder of my worth as a candidate. From the moment we first connected, she showed immense dedication. Her advice is detailed, precise, and tailored to individual needs.*

## Jan Siegel

Santiago, Chile  
Rotterdam, Netherlands

*At first, I was uncertain about the value of career counseling, but choosing Cooper-Clarke Consulting was a decision I'll never regret. Beyond personalized LinkedIn and CV tips, they offered interview preparation and ongoing support. I landed my job thanks to a standout LinkedIn profile.*
